Please feel free to use *Sitka Gear* and *Kuiu Light Weight Hunting Gear* at www.sitkagear.com and www.Kuiu.com ... Sitka and Kuiu are both excellent products for our hunting area!

Another good friend of ours is *Barneys Sports Chalet* in Alaska at www.barneyssports.com Please give Bob and the guys a call for consulting and help on finalizing your gear needs especially for sheep and goat hunters! Bob is very familiar with our area and gear needs. (907)561-5242

The above list is a suggested guide for equipment you should bring on your Stone Mountain Safari hunt, all of which should be able to fit in two 30 lb. small duffle bags. These will transport easier in our plane or by horseback. This comprehensive list is oriented to sheep hunters on 14 day hunts, on 10 day antlered hunts less clothing and extreme gear will be needed.
